

Beier's DC 12V/24V Compressor Fridge Freezer Range

Model No.	Specifications	Features	PRICE	Pictures
BR45C4	<p>Capacity 45 litres</p> <p>Voltage : DC12V/24V Power Consumption : 45W capacity: 45 litres(with both freezer and fridge compartment) LED Temperature Display</p> <p>Up to 55 below ambient temperature</p> <p>NW: 23kg Warranty: 2 years on compressor. AC/DC Adaptor Included Travel bag Included</p>	<p>1.Direct connect to DC 12V or DC 24V power supply.</p> <p>2.Two different refrigeration/freezer compartments.</p> <p>3.Anti discharge battery protect. Automatic turn off when low voltage</p> <p>4.Special wind lane to adjust temperature of refrigeration compartment</p> <p>5.Detachable lid</p> <p>6.Environment-friendly refrigerant R134a.</p>	R 5 795.00	<p>hinge</p> <p>lock</p>
BR55C4	<p>Capacity 55Litres</p> <p>Voltage : DC12V/24V Power Consumption : 45W capacity: 55 litres(with both freezer and fridge compartment) LED Temperature Display</p> <p>Up to 55 below ambient temperature</p> <p>NW: 25kg Warranty: 2 years on compressor. AC/DC Adaptor Included Travel bag Included</p>	same as BR45C4	R 6 910.00	
BR60C4	<p>Capacity 60Litres</p> <p>Voltage : DC12V/24V Power Consumption : 60W capacity: 60 litres(one compartment) LED Temperature Display</p> <p>Up to 55 below ambient temperature</p> <p>NW: 23kg Warranty: 2 years on compressor. AC/DC Adaptor Included Travel bag Included</p>	<p>1.Direct connect to DC12V or DC 24V power supply</p> <p>2.One compartment.</p> <p>3.Anti discharge battery protect. Automatic turn off when low voltage,</p> <p>4.Environment-friendly refrigerant R134a.</p> <p>5.Detachable lid</p> <p>6.Inner wire basket for loading and allocation of food.</p>	6 497.00	
BR70C4	<p>Capacity 70Litres</p> <p>Voltage : DC12V/24V Power Consumption : 60W effective capacity: 66.5 litres (one compartment) LED Temperature Display</p> <p>Up to 55 below ambient temperature</p> <p>NW: 25kg Warranty: 2 years on compressor. AC/DC Adaptor Included Travel bag Included</p>	Same as BR60C4	7 865.00	<p>Casing material: stainless steel 304 Only model 55L and 70L are with stainless steel casing</p>
BR80C4	<p>Capacity 80Litres</p> <p>Voltage : DC12V/24V Power Consumption : 60W effective capacity: 76.5 litres(one compartment) LED Temperature Display</p> <p>Up to 55 below ambient temperature</p> <p>NW: 27kg Warranty: 2 years on compressor. AC/DC Adaptor Included Travel bag Included</p>	Same as BR60C4	R 8 380.00	
Vat Included, delivery excluded. Price subjected to exchange rate, contact us for a updated price.			R 8 380.00
